adopted.

CLERK: I have nothing further pending to the bill, Mr. President.

SENATOR BERNARD-STEVENS: Mr. Speaker, I move that LB 447 be advanced to E & R final.

SPEAKER BAACK: You've heard the motion to advance LB 447A. All those in favor say aye. Opposed no. It is advanced.
LB 1241A.

CLERK: Mr. President, 1241A, no E & R. Senator Peterson would move to amend the bill, however. (AM3926 may be found on page 1873 of the Legislative Journal.)

SPEAKER BAACK: Senator Peterson.

I have also left out any identification of approval being needed by the Exec Board to eliminate any potential constitutional problem that the Attorney General mentioned. I move for the adoption of the amendment.

SPEAKER BAACK: Discussion on the amendment, Senator Moore.

SENATOR MOORE: Mr. Speaker and members, I rise to support Senator Peterson's amendment to 1241A. Basically by adopting this amendment, I think Senator Withem's amendment then to 1241 would certainly be, well, it would be in order regardless, but if you adopt the A bill amendment, the bill will still have the same intentions.
